

## HYGIENE VISIT SAFE

1

### DISINFECTION AND CLEANING

There are disinfectant dispensers at all essential points throughout the premises. Regularly touched surfaces will be cleaned more frequently.

2

### MEDICAL MOUTH NOSE PROTECTION

Koelnmesse recommends that visitors voluntarily wear a medical mouth nose protection. On the exhibition stands, the decision to wear a mouth nose protection lies with the respective stand operator.

3

### SUFFICIENT VENTILATION

All of Koelnmesse's trade fair halls are equipped with modern ventilation systems. The systems are operated with an increased volume of fresh air.

4

### HYGIENE IN SANITARY FACILITIES

Our sanitary facilities will be cleaned at frequent intervals. We will provide hand washing and disinfection facilities.

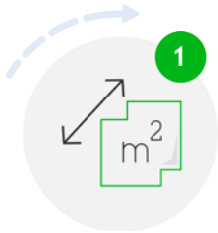

5

### STAY AT HOME IF YOU ARE ILL

You have no permission to enter the trade fair grounds with symptoms of illness such as cough, fever, cold, sore throat, general weakness, diarrhoea, odour and taste disturbance!

## DISTANCING RULES

# MEET SAFE

### EXPANSION OF THE TRADE FAIR AREAS

We will examine and, if necessary, increase the size of the extended floor space for each individual event. So we ensure the necessary minimum distance.

### ADAPTATION OF AISLE WIDTHS AND TRAFFIC AREA

In advance, we determine the aisle widths and traffic areas for each event in a way that the minimum distance of 1.5 m can be guaranteed.

## EXHIBITOR GUIDELINES

# SHOW SAFE

### BUSINESS CONTACT ETIQUETTE

In order to protect everyone's health, the minimum distance of 1.5 m should also be maintained during business appointments and physical contact and shaking hands should be avoided.

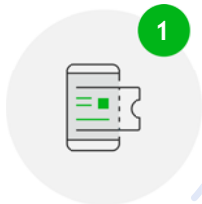

### HYGIENE

The respective stand operator is responsible for hygiene measures on the stand.
